Reply To Office Action

Dear Examiner Lafdahl:

This reply is in response to the office action mailed July 2, 2001.

Remarks

This amendment is in response to the office action mailed July 2, 2001, in which claims 3 and 6 were rejected under §112; claims 1, 2, 4, 5, and 10-14 were rejected under §102(b) as anticipated by Kurschner US 5497704, and claims 7-9 were rejected under §103 as being unpatentable over Kurschner US 5497704.

§112 Rejections To Claims 3 and 6

Applicant respectfully disagrees that claims 3 and 6 are indefinite. "At least two events" does not preclude determining the occurrence of three events (or more for that matter). Claims 3 and 6 merely recite that "the at least two events" who's occurrence is determined are actually all three of the events listed in the markush group.
